

Tournament Conditions

MGF \$78,000 including 2x ANZPT seats No Limit Hold'em Poker Tournament

Wednesday @ 6:15pm - \$330 Buy-in

(a) Tournament Structure

The tournament is limited to a maximum of **260** players, subject to change at the discretion of the Tournament Director.

The tournament shall consist of one event that may utilise up to **twenty** tables, dependant on business requirements, with a maximum of eleven players on each table. A decision on the number of tables being utilised will be made at the start of the tournament by the Tournament Director. Once all the available seats have been allocated on these tables, then every player who enters the tournament prior to the end of the 4th level will be considered an alternate.

Any player that is considered an alternate will be seated with a full starting stack when their seat becomes available.

The tournament supervisor will move players to facilitate the balancing and/or breaking of tables to ensure the efficient running of the tournament.

Tables will be balanced in order to maximize the number of players and to regulate approximate even numbers of players on each table as player and table numbers reduce.

The method of balancing tables will be: a player who is closest to the left of the big blind on a table with more players will fill the seat closest to the left of the big blind on a table with fewer players in order to even out player numbers.

As players are eliminated (lose all their chips) from the tournament, the Tournament Supervisor will break tables from play in order to maximize the number of players at each table.

Tables will be broken in a pre-set order, with those players being assigned to empty seats at other tables as needed to ensure reasonable balancing.

Players seated on the new table assume all responsibilities of that position and shall be dealt in immediately. The only variation to this shall be if a new player to a table takes up a position between the small blind and the button, in this case they must wait until the button has passed.

The final table shall consist of up to 10 players and will be played until there is only one player remaining. That player shall be declared the overall tournament winner.

(b) Tournament Chips

Each player shall be issued with **\$5,000** in non-value tournament chips prior to the start of the tournament.

The order of wagering will be in accordance with the Star City Poker Rules.

Any player removing tournament chips from the table will be disqualified from the tournament and excluded from any further tournaments at Star City.

(c) Allocation of Wagering Areas

Allocation of wagering/seat positions will be done by a manual or electronic system prior to the commencement of each tournament. In the case of a draw, numbered cards corresponding to the table seat positions will be drawn at the Buy-In desk prior to the commencement of the tournament. The Tournament Supervisor will select a player and draw a numbered card. The selected player will be allocated the table seat position drawn.

A player who has not taken their seat by the end of the sixth round will be disqualified and their remaining chips will be removed from play.

(d) Wagers

The game shall commence as a \$25/\$50 blind.

There is no maximum limit to the size or number of raises permitted in each round of play. The minimum raise must not be lower than the table minimum and must not be less than any previous bet or raise in the betting round, except where a player goes all-in.

The Tournament Supervisor shall increase the blinds at his/her discretion, providing all players are advised prior to the round of play in which the blinds are to be increased and no wagers have been placed or cards dealt prior to the announcement. Blind levels will be in increments of **25 minutes** or at the discretion of the Tournament Supervisor. Any increase to the blinds will follow the order, as set out below, though may not necessarily progress to the maximum.

\$25 / \$50		\$2,000 / \$4,000
\$50 / \$100		\$3,000 / \$6,000
\$75 / \$150		\$4,000 / \$8,000

\$150 / \$300		\$8,000 / \$16,000
\$200 / \$400		\$10,000 / \$20,000
\$300 / \$600		\$12,000 / \$24,000

\$1,000 / \$2,000		\$60,000 / \$120,000
\$1,500 / \$3,000		\$80,000 / \$160,000

Blinds will double in value until the conclusion of the tournament.

(e) Time Restriction

The Tournament Supervisor may impose a time restriction on any player deemed to be taking too long to make a decision.

On being advised by the Tournament Supervisor that the time limit is being imposed the player shall then be given 40 seconds to make and act on their decision. A player who fails to make a decision within the 40-second time limit will be required to fold their hand.
